You can book **quality inspections** online via the platform. You can also book factory audits and container loading inspections.

- Basic: You can book online using the platform (but without our assistance)
- Startup/Business: We help you to submit the booking request

Covered inspection services

- Product quality inspections
- Factory audits
- Container loading inspections

Which countries are covered?

Our partners' network covers China, Vietnam, India, and various other countries in Asia.

Is the cost included in the Product Maker Platform?

No, the quality inspection fee is charged directly by our partner. The price is typically set at around USD 300 to 400 per inspection. Most of our users only book one inspection per order.
