FAQ

We recommend that you read the Sourcing Report FAQ on [this page](#).

Important

1. **Test Reports** (✓) is not implying that all products made by the supplier are by default compliant with all product regulations and labelling requirements in the destination country. Instead, it means that the supplier claims to have made compliant products, either via a written statement on their website or by uploading test reports.

2. Likewise, other **check marks** (✓) on the following pages are entirely based on the suppliers claimed capabilities and certificates.
